Cap & Trade Funding Workshop: Bringing more state resources to the San Gabriel Valley and Gateway Cities.

Join us from **9:00AM-1:30PM** at Mayfair Park (**5720 Clark Avenue, Lakewood, CA 90712**) for a discussion with state agency representatives to learn more about Greenhouse Gas Reduction Fund programs and ways to put those dollars to work in your communities. The Transformational Climate Communities, Urban Greening, Urban Forestry, and Active Transportation programs will be discussed.

Continental Breakfast and Networking Lunch provided.

Speakers to include:

- Anthony Rendon**, *Speaker of the California State Assembly*
- Ashley Conrad-Saydah**, *Deputy Secretary for Climate Policy at California Environmental Protection Agency*
- Allison S. Joe**, *Deputy Director of the California Strategic Growth Council*
- Julie Alvis**, *Deputy Assistant Secretary for California Natural Resources Agency*
- John Melvin**, *Staff Chief for Resource Protection & Improvement at California Department of Forestry & Fire Protection*
- Laurie Waters**, *Associate Deputy Director at California Transportation Commission*

Please RSVP by September 28 to mvergara@rmc.ca.gov

Hosted by the Rivers and Mountains Conservancy, The Trust for Public Land, the Institute for Local Government, and the Gateway Cities Council of Governments.
